SHELF-LIFE TESTING SUBMISSION FORM

Client / Customer Name		
Contact Name		
Contact Number		
Contact Email		
Date Submitted		
Client / Customer Order Number		
Signature		
Samples to be Returned After Testing?*	YES	NO

* Client/Customer to arrange collection after being notified that testing is complete

LABORATORY USE ONLY					**CHECKLIST (X)**	
Batch ID					**Form Complete**	
Date Received					**Sample List**	
Time Received					**Record Sheet**	
Delivery Mode	**Client / Customer**	**Courier**	****OQ Collection**		**CoA**	
Temperature (°C)					**Initial**	
Sample Condition	**Acceptable**		**Rejected**		**Comment**	
****OQ Collection**	**Date**			**Time**		
	Temp. (°C)			**Signature**		

Project Description								
Sample Information	**Product Name**							
	Batch Number			**Number of Samples Submitted**				
	Production Date			**Best Before / Expiry Date**				
	Shelf-Life Extension Interventions Used: (e.g. irradiation, HPP, préservatives etc.)							
Storage Conditions (Mark with a X)	**Refrigerated (1 – 5 °C)**		**Ambient (18 - 25 °C)**		**Accelerated (36 ± 1 °C)**		**Other** _____	
Duration				**Offtake Interval**				
Start Date				**End Date**				

Test Category	Test Required	Acceptable Limits / Criteria
In-House Microbiological Testing (Refer to OQP2.2. SF06)		

Test Category	Test Required	Acceptable Limits / Criteria
Other In-House Tests Offered	pH	
	Appearance / Description	
	Aroma	

Is accreditation of tests essential?	Yes	No
May automated methods be used (where available, suitable and accredited) to perform the microbiological testing requested?	Yes	No
Are further identification tests e.g. MALDI-ToF or Gene Sequencing required for the microbiological tests requested? Please specify.		
Record sample temperatures at each offtake?	Yes	No
Take sample photographs at each offtake?	Yes	No
Other Instructions		

LABORATORY USE ONLY
